

Individual HW02

Your Name Here

1 BR Exercise 2.16

Note

If the link from the textbook doesn't work, try this link from the [internet archive](#)

2 BR Exercise 2.21

3 BR Exercise 3.8

4 `summarize_beta_binomial`

Write your own R function that does the same thing as `summarize_beta_binomial`. It's OK if your output is formatted differently and you do not need to write formal checks.

Note

If you need a refresher on writing functions in R, I recommend:

- [R4DS Ch25](#) for an overview of functions in R with practice problems
- [My Stat220 slides](#) for a quick refresher

5 BR Exercise 3.9

6 BR Exercise 3.10

7 BR Exercise 4.10

8 BR Exercise 4.14

9 BR Exercise 4.18
