

# Individual HW02

Your Name Here

## 1 BR Exercise 2.16

### Note

If the link from the textbook doesn't work, try this link from the [internet archive](#)

## 2 BR Exercise 2.21

## 3 BR Exercise 3.8

## 4 `summarize_beta_binomial`

Write your own R function that does the same thing as `summarize_beta_binomial`. It's OK if your output is formatted differently and you do not need to write formal checks.

### Note

If you need a refresher on writing functions in R, I recommend:

- [R4DS Ch25](#) for an overview of functions in R with practice problems
- [My Stat220 slides](#) for a quick refresher

**5 BR Exercise 3.9**

**6 BR Exercise 3.10**

**7 BR Exercise 4.10**

**8 BR Exercise 4.14**

**9 BR Exercise 4.18**
