2 BR Exercise 2.21

3 BR Exercise 3.8

4 summarize_beta_binomial

Write your own R function that does the same thing as summarize_beta_binomial. It's OK if your output is formatted differently and you do not need to write formal checks.

Note

If you need a refresher on writing functions in R, I recommend:

- R4DS Ch25 for an overview of functions in R with practice problems
- My Stat220 slides for a quick refresher
